

CHAPTER 21 LESSON 1

Mixed Patterns 1-5

The sentences that you will classify with your teacher will be a mixture of Pattern 1: SN V P1, Pattern 2: SN V-t DO P2, Pattern 3: SN V-t IO DO P3, Pattern 4: SN LV PrN P4, and Pattern 5: SN LV PA P5. As you classify these sentences, look carefully at the main parts so you can identify the correct pattern for each sentence.

Identify and Categorize Kinds of Pronouns

You have already studied several kinds of pronouns. In this chapter, you will identify the pronouns you have studied and then categorize them according to name, singular or plural, case (subjective, possessive, or objective), and person (first, second, or third person).

Study the charts below on identifying and categorizing pronouns. Then use the chart as you work through the practice exercises.

CHAPTER 21 LESSON 1

Guided Practice on Identifying and Categorizing Kinds of Pronouns

Identify each set of pronouns in the box below by writing these abbreviations in the column labeled *Pro Name*: **D** for demonstrative pronouns, **I** for indefinite pronouns, **Int** for interrogative pronouns, and **P** for personal pronouns.

Write **S** or **P** for singular or plural in the *S or P* column. If the pronouns can be either singular or plural, write **S, P** in the blank.

Also, identify *personal pronouns* in the last two columns according to person (1st, 2nd, or 3rd) or case (S-subjective, P-possessive, or O-objective). Remember, you must also identify either the person or the case of each set of personal pronouns listed on a line.

CHAPTER 21 LESSON 1

Independent Research Writing Assignment #33, Part 1

In this independent research writing assignment, you will be required to go to the library to select your sources. But there are several things to do before you go to the library. First, you must select a topic from the list below, narrow the topic, and then have it approved by your teacher. You will do only the first research step today. Possible writing topics:

Space Exploration	American Pioneers	Egyptian Pyramids
Foreign Countries	Animals	Famous Athletes
Drama	Music	Art
Oceanography	Plants	Successful Business

Research Steps for Independent Writing Assignment #33, Part 1

Step 1: Narrow the topic.

CHAPTER 21 LESSON 2

Independent Research Writing Assignment #33, Part 2

In this independent research writing assignment, you will be required to go to the library to select your sources. But there are several things to do before you go to the library. You should have already selected, narrowed, and gotten teacher approval of your topic. (*If not, go back to Step 1 in Lesson 1 and do that step.*) After your narrowed topic has been approved, go to Step 2 and make an outline guide. You should go to the outline guide in Chapter 17 to help you. After you have completed your outline guide, go to the library to select the sources you will use in your report. (Follow your teacher's directions for library time.) Remember to make a bibliography card for each source selected. You will do only Research Steps 2-4 today.

Research Steps for Independent Writing Assignment #33, Part 2

Step 2: Make an outline guide.
 Step 3: Select sources by skimming.
 Step 4: Make a bibliography card for each source selected.

CHAPTER 21 LESSON 3

Independent Research Writing Assignment #33, Part 3

In this independent research writing assignment, you will be required to go to the library again to take notes from your selected sources. (Follow your teacher's directions for library time.) Remember to take notes on note cards. You will do only Research Step 5 today.

Research Steps for Independent Writing Assignment #33, Part 3

Step 5: Take notes. (This step may take two or three days.)
