

# Scope & Sequence

The Shurley Grammar Series is an intervention solution for students who have not yet mastered the fundamentals of grammar and its use in basic sentence composition.

Shurley Grammar uses grade appropriate vocabulary for each grade level. In the lower levels, sentences that teach and reinforce concepts are in their simplest forms. As students progress through the upper levels, the sentences become more complex, using multiple grammar parts.

Using Shurley Grammar at each grade level is crucial so that students can develop a deeper understanding of sentence structure and sentence order. The consistent repetition and daily exposure to grammar help students retain and apply what they are learning from year to year.

The scope and sequence of Shurley Grammar is a quick reference to the concepts taught at each grade level. If you have any questions, contact your representative or the corporate office at 1-800-566-2966.
