

Shurley English Supports Key Elements of RTI*

*Response to Intervention

Quality classroom instruction

- ▶ Shurley English ensures that teachers know exactly what to teach and how to teach it—step by step!
- ▶ Students learn through explicit, multi-sensory, and brain-compatible strategies.

Tiered instruction/intervention

- ▶ Shurley English teaches students to recognize patterns in our language logically and systematically.
- ▶ Skills and concepts are practiced and applied so that they become automatic and easily accessed.

Ongoing student assessment

- ▶ Shurley English features pretests and posttests to determine initial proficiencies and challenges.
- ▶ Students have daily oral reviews, chapter reviews, and chapter tests, which help teachers measure student progress.

Family involvement

- ▶ Interactive homework assignments engage parents and students.
- ▶ Student literacy improves as skills are learned and applied at school and at home.
